At **JPNCE**, we understand what students truly need - a solid education, meaningful opportunities and a nurturing environment that fosters growth. Established in 1997, we are proud to welcome the 29th batch of B.Tech students this year, continuing nearly three decades of dedicated service to technical education.

Over the years, we have built more than just classrooms - We have built futures. Our mission has always been to shape not just engineers or managers, but thinkers, leaders and problem-solvers equipped for a dynamic world. Whether it's academics, innovation or industry readiness, our doors are open to every young mind ready to dream, discover and achieve.

NEW CAMPUS IN HYDERABAD

Now Closer to the Action – JPNCE in Hyderabad.
We're launching a new campus in Hyderabad to bring you closer to industry exposure, internships and top recruiters. More networking, more resources and more learning, right at the heart of Telangana's tech capital.
